In Halandri, at Papanikoli 40, there is a store flooded with original and rare furniture and other items.

The owners frequently travel abroad, both in main land and in the islands and have the opportunity to choose that rarest of the market. When a visitor enter the store, he fascinated watching furniture passed and left unchanged its beauty through time.

Our collection include 1700 Napolleon III, Venetian and French antiques and objects such as clocks DORE, candlesticks and small items.

Also be maintain antiques by skilled artisans in the old traditional way, cheiroloustra (Lac).

We are waiting to meet us and serve you soon.
